POSTPONEMENT OF ASIA BAND FESTIVAL™ 2011

SINGAPORE – 29 March 2011 – We would like to express our sympathy and condolences to all people who have been affected by the disaster on 11 March 2011 and our utmost respect and gratitude to those who are involved in the relief and recovery efforts since.

It is with much regret to announce the postponement of the inaugural Asia Band Festival™ due to the recent earthquake in north eastern Japan. As the situation in Japan has yet to stabilise, it is in the best interests of all participants that we take this necessary precaution.

The Asia Band Festival™ will be rescheduled to August 2012.

We look forward to your participation next year and thank you once again for your continuous support.

More information will be released once details are finalised in due course.
